Toe:

Cast on 11 sts on each needle with *Judy's magic cast on*, 22 sts total.

Needle 1 is on the top of the foot. Needle 2 is the sole of the foot.

Knit one round.

Now you shall start increasing for the toe:

- Rnd 1: *KFB, k to 2sts remain on needle 1, KFB, k1* rpt *-* on needle 2
- Rnd 2: K.

Rpt knitting rnd 1 and rnd 2 until you have 31sts on each needle. 62sts total.

Finish with rnd 2

Foot:

When the toe is finished, continue knitting according to the diagram. K stockinette stitch under the foot on needle 1 and follow the diagram on top of the foot on needle 2. K until you have reached your desired length. Check the size chart, this shows the full length of the sock. Heel is approx 8 cm.

Heel gusset:

Now you need to increase for the heel gusset on the underside of the foot (needle 1) like this:

- Rnd. 1, needle 1: KFB, k to 2sts remain on the needle, KFB, k1.
- Rnd. 1, needle 2: k according to diagram.
- Rnd. 2, needle 1: Knit
- Rnd. 2, needle 2: k according to diagram.

Repeat these two rounds until you have 53 sts on needle 1.

Heel:

Now you are going to shape the heel, and only knit on needle 1, the heel itself is knit in stockinette stitch.

You are going to decrease the stitches you increased for the gusset:

- Rnd. 1 RS: Knit 30, SSK, k1, turn.
- Rnd. 2 WS: Slip 1st, p8, p2tog, p1, turn.
- Rnd. 3 RS: Slip 1st, k until 1st remains before the hole, SSK, k1, turn.
- Rnd. 4 WS: Slip 1st, p until 1st remains before the hole, p2tog, p1, turn.

Repeat round 3 and 4 to all the sts you increased for the gusset is decreased again and you have 31 sts on the needle. Turn, k2tog, knit until 2 sts remain on needle 1, k2tog. This equals 29 sts on needle 1.

Shaft:

You now have 60sts on your needles. When you start knitting in the round again, pick up 1st on each side in between needle 1 and 2 and knit this through the back loop with the neighbouring stitch. This is to avoid getting holes at the sides.

Knit according to the diagram all the way around (on both needle 1 and needle 2) until the shaft measures 8cm. Continue at the place in the diagram where you stopped on needle 2 before the heel. Remember that needle 1 has 2 fewer stitches, so that stitch 1 and 31 in the diagram is not knitted on needle 1. If you want you can change over to double pointed needles.

Knit 4 cm ribbing, K 1 through the back loop, p1.
 Bind off loosely with tubular bind off.

I would love to see your finished product on Instagram! Tag @hettestrikk and #annaolavalestar if you want.
