These socks are knitted toe up with a seamless heal. You can go down by half a needle size when knitting the color work. Try them on while knitting to make sure your socks do not turn out too tight. **When using the Magic Loop technic needle 1 is underneath the foot and needle 2 is on top.**

Abbreviations:

SSK = slip, slip, knit:

Lift 2 stitches, one by one, over from left to right needle. Place stitches back on left needle and knit them together through the back loop (twisted stitch). The stitch will slant to the left.

KFB = Knit in front loop and then in back loop = 1 stitch increased.

RS = Right side

WS = Wrong side

Toe:

Cast on 10 stitches on each needle using the Judy's Magic cast on technic. 20 stitches in total.

Knit all stitches on first round.

Start increasing for the toe:

- Round 1: KFB, knit until 2 stitches left on needle 1, KFB, knit 1 *repeat*-* on needle 2.
- Round 2: Knit all stitches

Repeat rounds 1 and 2 until you have 32 stitches on each needle. 64 stitches in total. Finish of with round 2.

Foot:

When the toe is finished, start knitting the pattern by following the chart. Knit until desired length of foot before starting the heel wedge. See chart. The chart shows one whole length of the foot. The heel should measure 8 cm / 9 cm.

Heel wedge:

Increase stitches for the heel wedge underneath the foot (needle 1):

- Round 1, needle 1: KFB, knit chart until 2 stitches left on the needle, KFB, knit 1
- Round 1, needle 2: Knit chart
- Round 2, needle 1: Knit chart
- Round 2, needle 2: Knit chart

Repeat rounds 1 and 2 until you have 52 stitches on your needles. Continue working the pattern according to the chart as the number of stitches increases.

Heel flap:

Shape the heel by working the stitches on needle 1. The heel are worked in stockinette stitch using your main color.

Decrease the stitches from the heel as follows:

- Round 1 RS: knit 31, SSK, knit 1, turn
- Round 2 WS: move first stitch from right to needle, purl 11, purl 2 together, purl 1, turn
- Round 3 RS: Move first stitch from right to needle, knit until one stitch before last turn, SSK, knit 1, turn
- Round 4 WS: move first stitch from right to needle, purl until one stitch before last turn, 2 together, purl 1, turn

Repeat round 3 and 4 until all the side stiches are knitted and you have 32 stitches on needle 1. Turn knit back.

Leg:

Start knitting in the round again. Pick up one stitch on each side between needle 1 and 2 on your first round of the leg. To avoid holes knit the picked up stitch through the back loop together the next stitch (twisted stitch).

Continue working the chart until desired length of the leg.

Rib:

Change to a half needle size smaller when working the rib by knitting 1 twisted stitch and purl 1 until 3 cm. Bind off using the Italian bind off technic.
